## TRIP ITINERARY

### VALENCIA - ALCOY

Departure from Valencia (Pantera Rosa and Nuevo Centro) to Alcoy.

We will arrive at the town to see how the townsfolk of Alcoy dress in traditional attire over that week, reconstructing scenes of daily life in the 19th and early 20th centuries. We will be able to stroll around the streets and watch the processions and historical recreations, and also the modernist market where we will find craftwork and antiques.

After our initial trip around the town, we will enjoy the traditional cuisine of Alcoy and the Mariola mountains, with dishes such as paella with broad beans or Pericana spread.

After lunch, we will enjoy the Fair and its traditional dance, plays and others, where historical and cultural events are being performed.

At the end of the trip we will return to Valencia.
