TRIP ITINERARY

9th October Valencia - Caravaca de la Cruz - Jaén

Departure from Valencia (Pantera Rosa and Nuevo Centro) towards Jaén, stopping off in Caravaca de la Cruz on the way. When we arrive, we will be shown around this fascinating, historical town by a local guide, often referred to as the Holy City, and we will also be able to try out its local cuisine, made from local market garden produce. After lunch, we will set off towards our next destination: Úbeda. We will arrive at the hotel for our accommodation and dinner.

10th October: Úbeda and Baeza

We will walk around the town, with a local guide who will explain the history of Úbeda. We will then move on to Baeza, a World Heritage Site, to discover the streets of one of the most beautiful towns in Spain. Finally, we will try out some local Jaen cuisine in one of the town's restaurants before going back to Úbeda for a free afternoon and evening. Dinner at the hotel and accommodation.

11th October: Visit to the Olive Oil Cooperative

Breakfast at the hotel and then travel to the Olive Oil Cooperative, where the entire process of this product known as “liquid gold” will be explained.
